### Software

Security	McAfee® LiveSafe™ 12-Month Subscription
----------	---

### Power your play

8th Gen Intel Core™ i7 processor Quad- and Hex-Core™ CPUs allow you to game with less lag and faster response times.

### Next-level graphics

With NVIDIA GeForce® GTX 1060 Max-Q design technology and up to 6GB DDR5 video memory, gameplay is clear and detailed.

### Superior streaming

Experience enhanced online streaming and interactive video thanks to Killer™ Ethernet and SmartByte technology.

## The ultimate statement piece

### Think Mobile

At only 25mm, this system is both powerful and portable, with style to spare.

### Game in Style

Durable magnesium alloy braces the system for exceptional rigidity and a luxe palm rest completes the ultra-sleek look.

### Bold and Bright

Game greater and look good doing it. Your Dell G5 15 laptop is available in Beijing Red or Black.
